EXPERT WITNESS AND LEGAL CONSULTATION

(September, 2019 – February, 2020) Detroit, Michigan

Retained as an expert witness on racial discrimination litigation. In particular whether the defendant experienced racial stress or trauma as a factor her care of a patient who asked that she be removed from caring for her. A research-based situational analysis and assessment interview was conducted to determine whether the plaintiff experienced race-based traumatic stress.

(January, 2018 – May, 2018) Tacoma, Washington.

Retained by the U.S. Army, Judge Advocate Office, as an expert witness on race and related issues. In particular whether the defendant experienced racial stress or trauma as a factor in his court martial for attempted murder and to offer a research-based social framework for his race-related experience and to assess whether the defendant had experienced race-based traumatic stress. Certified as an expert witness in the military court. Expert report survived Daubert challenge and I testified at trial regarding race-based issues the affected the criminal case.

(October 2014 – January 2015) Fair Lawn, N.J.

Retained as expert witness regarding whether plaintiff experienced a racially hostile work environment and to offer a research based social framework of potential race-related injury. I was retained to provide an opinion as to whether the plaintiffs had experienced race-based traumatic stress injury.

(June 2012 – May 2013) Mt. Vernon, Illinois.

Retained as expert witness regarding whether plaintiff experienced a racially hostile work environment and to offer a social framework and research evidence of potential race-related injury. In particular I was asked to provide an opinion as to whether the plaintiff had experienced race-based traumatic stress injury.

(August 2011 – September 2012) Morristown, New Jersey.

Retained as expert witness regarding whether 10 plaintiffs experienced a racially hostile work environment and to offer a social framework and research evidence of potential race-related injury. In particular I was asked to provide an opinion as to whether the plaintiffs had experienced race-based traumatic stress injury (settled for 5.8 million).
